

# BUSINESS ADMINISTRATION, MBA

The mission of the MBA program at the University of Nebraska at Omaha (UNO) is to prepare students to contribute significantly to organizational productivity through learning experiences, emphasizing the application of sound and innovative business techniques. By acquiring the knowledge and abilities necessary to be a problem solver who is influential, innovative, and socially responsible, the graduate of the UNO MBA program will be an effective leader in enhancing organizational capabilities. The graduate will be well prepared for a responsible management position and will have an understanding of the technological and global business environment.

In addition to developing a strong background in the functional areas of business, the UNO MBA program focuses on developing essential leadership capabilities in its graduates.

### Triple Bottom Line (TBL)

The TBL framework that has been incorporated into the curriculum provides a distinctive structure to the program that we can communicate to students, employers and others. TBL will help students see relationships between issues in a turbulent business environment. It compels students to understand the relationship between social, economic and environmental trends. A TBL framework for the MBA program will develop principled leaders who can effectively anticipate unfortunate surprises and uncover new opportunities. These leaders can position their firms to be a step ahead of competitors.

### FastTrack Program

The College of Business Administration MBA program has developed a FastTrack program for highly qualified and motivated students providing the opportunity to complete a BSBA or BMS degree and an MBA degree in an accelerated time frame. With FastTrack, students may count up to nine graduate hours toward the completion of their undergraduate program as well as the graduate degree program.

#### Program Specifics:

- This program is available for undergraduate students pursuing a BSBA or BMS degree and desiring to pursue an MBA
- Students must have completed no less than 60 undergraduate hours
- Students must have a minimum undergraduate GPA of 3.0
- Students must complete the Fast Track Approval form and obtain all signatures and submit to the Office of Graduate Studies prior to first enrollment in a graduate course
- Students will work with their undergraduate advisor to register for the graduate courses
- A minimum cumulative GPA of 3.0 is required for graduate coursework to remain in good standing
- Students remain undergraduates until they meet all the requirements for the undergraduate degree and are eligible for all rights and privileges granted undergraduate status including financial aid.
- Near the end of the undergraduate program, formal application to the graduate program is required. The application fee will be waived, the

applicant will need to contact the Office of Graduate Studies for a fee waiver code.

- Admission to Fast Track does NOT guarantee admission to the graduate program.
- The admit term must be after the completion term of the undergraduate degree.
- Please note, BSAD 8110 will apply toward the completion of the BMS degree program requirements, but only as a foundation course for the MBA.

## Enrollment of Non-Degree Students

Following a review of their transcripts by the MBA advisor, non-degree students may be permitted to enroll in MBA foundation courses only, BSAD 8110 and ECON 1200 (3.0 junior/senior GPA required).

## Admissions

General Application Requirements and Admission Criteria (<http://catalog.unomaha.edu/graduate/admission/>)

### Application Deadlines

- Spring 2026: November 1
- Summer 2026: April 1 (Limited availability for international applicants)
- Fall 2026: July 1 (June 1 for international applicants)

### Other Requirements

- **English Language Proficiency:** Applicants are required to have a command of oral and written English. Those who do not hold a baccalaureate or other advanced degree from the United States, **OR** a baccalaureate or other advanced degree from a predetermined country on the waiver list, (<https://www.unomaha.edu/office-of-graduate-studies/admissions/entrance-exams.php>) must meet the minimum language proficiency score requirement in order to be considered for admission.
  - Internet-based TOEFL: 80, IELTS: 6.5, PTE: 53, Duolingo: 110
- **Resume** (employment and educational history)
- **Unconditional Admission:** may be granted to an applicant whose record includes the following:
  - 2.85 undergraduate junior/senior GPA, or cumulative graduate GPA
  - Applicants qualifying for unconditional admission, based on the standards outlined above, but lacking some foundation courses, will be granted provisional status until all foundation courses are completed with grades of "B" (3.0/4.0) or above.
- **Provisional Admission:** Applicants who do not meet the conditions for unconditional admission may be considered for provisional admission status. These applicants will be notified that the CBA Graduate Program Council (CBA GPC) will evaluate the files of all applicants being considered for provisional admission. Candidates being considered for admission on this basis will receive notification from the UNO Office of Graduate Studies. If granted provisional admission, the student must earn minimum "B" (3.0/4.0) grades in each of the MBA courses completed in the first 12 hours of the program. Students not meeting this standard are subject to dismissal.
- **Foundation courses:** An applicant must have completed basic courses in the following areas, either as an undergraduate student or prior to enrolling in the first MBA course:

Code	Title	Credits
<b>Accounting</b>		
Select one of the following:		3-6
BSAD 8110	ACCOUNTING AND FINANCIAL FUNDAMENTALS	3

### Project Capstone Course (2 hours)

**BSAD 8800 - MBA Project-Focused Capstone.** As the project-focused capstone course for the Master of Business Administration (MBA) degree, this course will focus on students completing a service-learning consulting project for a non-profit or other organization. This consulting project will focus on the application of the knowledge and skills learned in the MBA program. A minimum B (3.0 on 4.0 scale) grade required to complete the course successfully and qualify for graduation. **Prerequisite:** Students must successfully complete BSAD 8630, BSAD 8420, and BSAD 8830 before taking the Capstone course. Students must also complete this course in the final semester or within the last nine (9) hours of their MBA program. Permission from MBA advisor is required to register for this class. Not open to non-degree graduate students.

**ECON 8330 - Data Analysis from Scratch.** This course may be substituted for BSAD 8800 as the Capstone requirement for MBA students. Students in the course will work on a service-learning consulting project, specifically focused on a client data project. The consulting project will focus on the application of knowledge and skills learned in the MBA program and the Business Analytics concentration. A minimum B (3.0 on 4.0 scale) grade required to complete the course successfully and qualify for graduation. **Prerequisite(s)/Corequisite(s):** A multivariate or regression analysis course such as ECON 8300 (<https://catalog.unomaha.edu/search/?P=ECON%208300>), ISQA 9130 (<https://catalog.unomaha.edu/search/?P=ISQA%209130>) or STAT 8436 (<https://catalog.unomaha.edu/search/?P=STAT%208436>), and a programming class such as ECON 8320 (<https://catalog.unomaha.edu/search/?P=ECON%208320>) or equivalent programming experience; or instructor approval. Students also must successfully complete BSAD 8630 (<https://catalog.unomaha.edu/search/?P=BSAD%208630>), BSAD 8420 (<https://catalog.unomaha.edu/search/?P=BSAD%208420>), and BSAD 8830 (<https://catalog.unomaha.edu/search/?P=BSAD%208830>) before taking this course for the Capstone requirement.

Students must also complete this course in the final semester or within the last nine (9) hours of their MBA program. Not open to non-degree graduate students.

### Directed Elective Requirement

For students who have earned an undergraduate or graduate degree in accounting, economics, management, management information systems, or marketing, the core course(s) corresponding to the student's previously earned degree(s) will be waived. To satisfy degree requirements, the student must complete a directed elective in the waived field as indicated. For students who have earned an undergraduate or graduate degree in finance, the core course(s) corresponding to the student's previously earned degree may be waived upon request. Students with more than one core course waiver will be required to take an additional 1-credit hour seminar or 3-credit hour elective to fulfill degree requirements.

Electives (8000-level) may be chosen from MBA, master's level Accounting and Economics, as well as courses in other departments as listed below.

A directed elective, if required, is part of the nine (9) hours of electives required for degree completion.

A maximum of nine (9) hours of dual-level (graduate/undergraduate) electives may be included in the plan of study for an MBA degree.

MBA policy limits the number of Special Topics/Special Studies (BSAD 8910) electives to a maximum of nine hours, which may be applied to the MBA program as electives.

Not all elective courses are offered each semester.

### Transfer of Graduate Credit

Students who have completed graduate courses at other approved AACSB (Association to Advance Collegiate Schools of Business) graduate schools may request permission to transfer as many as nine (9) semester hours of credit, provided the courses are pertinent to the student's graduate program. Grades in courses for transfer credit must be equivalent to "B" (3.0/4.0) or higher. All work for transfer of credit must have been

taken within the ten-year period allowed for the master's in business administration degree. Petitions for the transfer of credit are submitted by the student to the MBA advisor who forwards the petition with a recommendation to the Dean for Graduate Studies for approval. Visit the AACSB website (<http://www.aacsb.edu>) for the listing of AACSB accredited institutions.

## MBA Exit Requirement

### Comprehensive Examination

All students earning an MBA degree must complete a comprehensive examination or a comprehensive examination equivalent. The comprehensive examination requires the student to demonstrate the knowledge gained from the core courses and the ability to synthesize that knowledge in the analysis of questions involving more than one concept. Completion of the project focused capstone course (BSAD 8800) with a grade of "B" (3.0/4.0 scale) or better is equivalent to completion of the comprehensive examination. If a student transfers in credit for the non-comprehensive examination components of the project focused capstone course, then the student must pass a written comprehensive examination prepared by and graded by the graduate program council.

### Thesis Option

MBA students may elect to complete a 6-hour thesis under the guidance of a supervisory committee. The student is responsible for compliance with all Graduate College and MBA graduate program council rules and procedures with respect to formation of a supervisory committee and completion of a thesis. The student shall submit to the supervisory committee a document including: 1) a proposed plan of study; 2) a description of the student's research topic; and 3) the student's research methodology. The student shall make an oral defense of the document to the supervisory committee. The supervisory committee's approval shall be in writing. A supervisory committee's approval should be obtained at least seven months before the intended graduation date. If a student elects to complete a thesis, then the supervisory committee of the thesis shall decide how the student will satisfy the comprehensive examination requirement and the business case requirement. The supervisory committee's written approval of the plan of study shall require either the student's completion of the project focused capstone course or a comprehensive examination (either written or oral) prepared by and graded by the supervisory committee.

## Other Requirements to Complete the Program

All MBA students must attend MBA Orientation in their first semester in the MBA program as part of their degree requirements. All MBA students must participate in a minimum of two (2) MBA Leadership Seminars prior to graduation.

### Total Credit Hours: 33

## Concentrations

The MBA Program offers concentrations in the areas listed below. A concentration shall include at least nine (9) credit hours.

With the prior, written approval of the College of Business Administration graduate program council and the dean for Graduate Studies, an independent research, special studies, or special topics graduate-level course from accounting, business administration or economics, when such course has as its principal focus issues relevant to business administration or the concentration, may be substituted.

**Academic Performance**

Each semester, student files will be reviewed where a student received a grade lower than a "B" (3.0 out of 4.0). Following this review, the College of Business Administration's Graduate Program Council (CBA GPC) may place conditions or restrictions on the student. Following notification to the student, the student may petition the CBA GPC for a review of the conditions or restrictions imposed.

Students earning a third grade of "C+" or lower (or any single grade below "C" (1.67 on a 4.0 scale)) will be automatically dismissed from the MBA program. Dismissed students will be immediately administratively withdrawn from all courses in which they are enrolled for MBA credit. Students who have been dismissed may not enroll in any courses for MBA credit in any subsequent semester or summer session until reinstatement has been granted by the CBA GPC and the graduate dean.

Students who have been dismissed from the MBA program may submit a written petition for reinstatement to the CBA GPC. Students who have petitioned the CBA GPC for reinstatement may not enroll in any courses for MBA credit. Upon receiving a petition for reinstatement, the CBA GPC will evaluate the student's written petition for reinstatement. As part of the reinstatement petitioning process, the CBA GPC reserves the right to examine the student's academic record and reserves the right to speak to any previous instructor who has taught the student. This information may be used by the CBA GPC in the reinstatement decision. Information provided by previous instructors will not be shared with the student. Reinstatement is a privilege and not all students who are dismissed will be reinstated. Students who have been reinstated will serve a probationary period of the CBA GPC's discretion and must satisfy the probationary conditions specified by the CBA GPC. In addition to probationary conditions, reinstated students will be subject to additional reinstatement conditions as specified by the CBA GPC. These reinstatement conditions will include retaking one or more courses in which the student must earn a grade of "B" (3.0) or higher [the exact grade requirements for retaken courses may in fact be higher than "B" (3.0)]. Students not achieving the probationary or reinstatement conditions will be automatically dismissed.

**MBA Probation Policy**

If granted Provisional Admission, the student must earn minimum "B" grades (3.0 on 4.0 scale) in each of the MBA courses completed in the first 12 hours of the program. Students not meeting this standard will be immediately placed on probation. A letter will be sent to the student regarding violation of the terms of provisional admission and the probation status. The student must submit a written letter to the CBA GPC acknowledging the basis for probation and requesting continuation in the MBA program within two weeks on receipt of the notification. Students who have petitioned the CBA GPC for continuation in the program may remain in the program and enroll in courses for MBA credit. Students who have NOT petitioned the CBA GPC for continuation within two weeks of notification, will not be allowed to remain in the program or register for courses, and will be administratively withdrawn. Upon receiving a petition for continuation, the CBA GPC will evaluate the student's written petition. As part of the petitioning process, the CBA GPC reserves the right to examine the student's academic record and reserves the right to speak to any previous instructor who has taught the student. This information may be used by the CBA GPC in the decision. Information provided by previous instructors will not be shared with the student. If a student's provisional status is restored, then the student will need to earn a B grade or better in the affected course at the earliest opportunity.

**MBA Program Two Strikes Rule**

A UNO MBA student may enroll only **twice** in each MBA course. If the class is not successfully completed on the second attempt, then the student will be dismissed from the MBA program. **An enrollment is defined as being enrolled in the course after the last day to withdraw via MavLINK and receive a 100% refund. The last day for withdrawal will be as stated in the current academic calendar for a full semester course (3 credits) <http://registrar.unomaha.edu/calendar/>; for an eight-week graduate course (2 credits) the last day for withdrawal will be the third day (including the start date) of the course as designated in MavLINK.**

In addition to the Quality of Work Standards established by the Graduate College, MBA students may repeat only once a BSAD 8xx0 level course in which they receive any grade, including "W" or "I."

**GPC Will Consider Grades Earned in Repeated Courses**

When making decisions based on Quality of Work Standards issues, the CBA GPC will consider the initial grade(s) received in a course as well as the most recent grade received for the course. This approach differs from the method used to calculate GPA in a student's MavLINK/Degree Works file, where the most recent grade replaces the grade received in the previous attempt.

**Student Responsibilities**

Each student admitted to graduate studies is responsible for knowing the procedures and regulations of the Graduate College.

Each student should consult with the MBA advisor at least once each semester to assure continued progress toward the degree objective. Students must maintain a 3.0 ("B") average to fulfill the program and graduation requirements. No more than two "C's" or two "C+'s" in graduate courses are permitted.
