

BANKING CONCENTRATION

The objective of the Banking concentration is to provide additional study in the areas of financial management of commercial banks including the organization, operation, financing and functions of banks and certain related financial institutions. This program is specifically designed for those students interested in pursuing careers in banking, bank regulatory agencies, or in related financial institutions, such as credit unions, sales and consumer finance companies, and government agencies.

The completion of specified courses in business finance, banking, and investment science may be applied toward concentration requirements in all three areas.

Banking concentration students are required to earn a "C+" or better in FNBK 3250 (<https://catalog.unomaha.edu/search/?P=FNBK%203250>) and FNBK 3300 (<https://catalog.unomaha.edu/search/?P=FNBK%203300>).
