

ART AND ART HISTORY

Art & Art History educates artists, scholars and teachers by fostering creative expression, visual literacy, and critical thinking through practice and research. By developing mastery of various disciplines in art, students are prepared to become leaders in their chosen careers and make positive contributions to the world. Art & Art History is fully accredited by the National Association of Schools of Art and Design (NASAD).

Contact Information

Art History

Art History is an interdisciplinary field that studies the most significant artists and artworks in human history and emphasizes the role of visual culture from the past to the present. Students majoring in Art History at UNO can prepare for advanced graduate study in art history as well as careers in museum studies or art administration.

- Museum curator
- Gallerist
- Exhibit Installation technician
- Art conservationist/restorer
- Art law/anti-forgery specialist
- Interior designer
- Art/estate appraiser

Studio Art

The programs in studio art provide a comprehensive art education that prepares students with the technical skills, historical context, and

theoretical knowledge to create meaningful artistic contributions. Visual imagery created through painting, drawing, printmaking, book arts, ceramics, sculpture, graphic design, media arts, or game design are emphasized in this program. Additionally, students can also pursue teacher certification to apply their artistic skills in the K-12 classroom.
