PUBLIC HEALTH, BACHELOR OF SCIENCE

Degree Description

The public health program prepares students to become professionals who promote the health of local, national, and global populations through education and skills for individuals and communities. A degree in public health prepares students to think critically about societal issues through a justice-based framework, and public health professionals engage in advocacy for policies that ensure and support healthy populations. Students who graduate with a degree in public health pursue careers in a variety of fields, including health administration; health promotion, and behavior; epidemiology; and environmental health. Students are also prepared to pursue graduate degrees in public health or related fields.

Admissions

Students must have a cumulative and major GPA of at least 2.5.

Fast Track Program

The School of Health and Kinesiology has developed a Fast Track program for highly qualified and motivated students providing the opportunity to complete a bachelor's degree and a master's degree in an accelerated time frame. With Fast Track, students may count up to 9 graduate hours toward the completion of their undergraduate program as well as the graduate degree program.

Program Specifics:

- · This program is available for undergraduate students pursuing a BS in Public Health major desiring to pursue a MS in Health & Kinesiology with a Health Behavior concentration, or those pursuing a BS in Kinesiology major desiring to pursue a MS in Health & Kinesiology with an Exercise Science concentration.
- · Students must have completed no less than 60 undergraduate hours.
- · Students must have a minimum undergraduate GPA of 3.0.
- · Students must complete the Fast Track Approval form and obtain all signatures and submit to the Office of Graduate Studies prior to first enrollment in a graduate course.
- · Students will work with their undergraduate advisor to register for the graduate courses.
- · A minimum cumulative GPA of 3.0 is required for graduate coursework to remain in good standing.
- · Students remain undergraduates until they meet all the requirements for the undergraduate degree and are eligible for all rights and privileges granted undergraduate status including financial aid.
- · Near the end of the undergraduate program, formal application to the graduate program is required. The application fee will be waived, the applicant will need to contact the Office of Graduate Studies for a fee waiver code.
 - · Admission to Fast Track does NOT guarantee admission to the graduate program.
 - · The admit term must be after the completion term of the undergraduate degree.

This roadmap is a suggested plan of study and does not replace meeting with an advisor. Please note that students may need to adjust the actual sequence of courses based on course availability. Please consult an advisor in your major program for further guidance.

This plan is not a contract and curriculum is subject to change

Additional Information About this Plan:

University Degree Requirements: The minimum number of hours for a UNO undergraduate degree is 120 credit hours. Please review the requirements for your specific program to determine all requirements for the program. In order to graduate on-time (four years for an undergraduate degree), you need to take 30 hours each year.

Placement Exams: For Math, English, Foreign Language, a placement exam may be required. More information on these exams can be found at https://www.unomaha.edu/enrollment-management/testing-center/placement-exams/information.php

**Transfer credit or placement exam scores may change suggested plan of study
