

EDUCATIONAL LEADERSHIP (EDL)

Educational Leadership Undergraduate Courses

EDL 2590 FOUNDATIONS OF LEADERSHIP DEVELOPMENT (3 credits)

This course will explore foundational leadership theories for working with formal and informal groups, influencing others, and practice personal and social competencies associated with effective collaboration and leadership.

Distribution: Social Science General Education course

EDL 4590 FOUNDATIONS OF LEADERSHIP DEVELOPMENT (3 credits)

Leadership development is an educational outcome for college students, and at UNO, is strongly encouraged. This course will expose students to foundational leadership theories and challenge them to explore personal and social competencies associated with effective collaboration and leadership. (Cross-listed with EDL 8596).
